Designed and Manufactured in Italy

Electric Hob

PR404

PR404

- Type: EGO
- "Element on" indicator light
- 2 rapid elements
- 2 normal elements
- Manual knob control
- Stainless steel or white finish

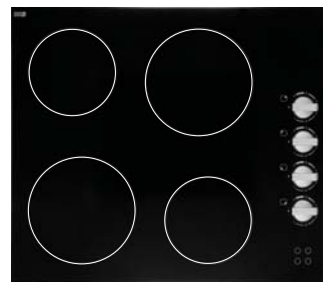

Ceramic Hob

PC4R

PC4R

- Type: Ceramic hi-light
- Hot hob warning light
- Manual knob control
- Operation LED
- Square edge glass
- Rapid response element

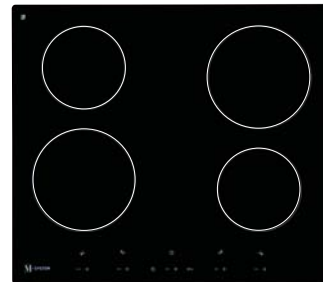

Ceramic Hob

PC4E

PC4E

- Type: Ceramic hi-light
- Hot hob warning light
- Electronic sensor controls
- Safety lock
- Timer functions
- Auto "Power off" feature
- Bevelled edge glass
- Rapid response elements

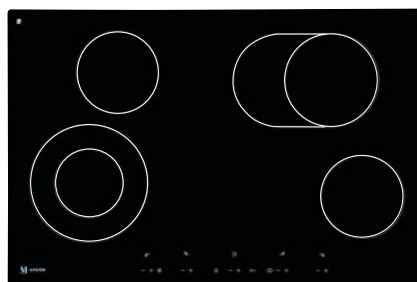

Ceramic Hob

PC5E

PC5E

- Type: Ceramic hi-light
- Hot hob warning light
- Electronic sensor controls
- Safety lock
- Timer functions
- Auto "Power off" feature
- Bevelled edge glass
- 2 dual rapid response elements
- 2 normal rapid response elements
