

UNIQUE 'steam cleaning' FACILITY

Steam Clean (for models enamelled with "aqua release" enamel)

Traditionally, oven enamels have been porous. This creates a surface that, over time, collects microscopic oil and grime deposits that build up within these pores and become nearly impossible to remove.

Thanks to some of the latest technology, we have revolutionary new enamel which is much less porous than predecessors and creates a surface that has glass-like characteristics.

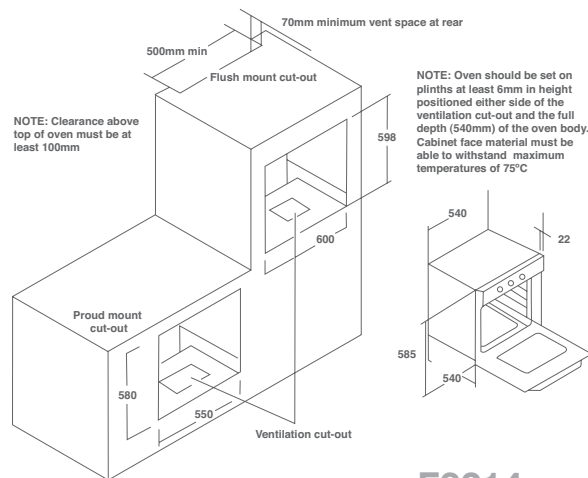

OVEN SPECIFICATION AND DATA TABLE

| Model | Height | Width | Depth | Power K/Ws | Max. Amps | Weight kgs | Oven Capacity |
|-------|--------|-------|-------|------------|-----------|------------|---------------|
| F3203 | 590 | 595 | 560 | 2.35 | 9.4 | 35 | 60lts |
| F3205 | 590 | 595 | 560 | 2.2 | 8.9 | 35 | 60lts |
| F3206 | 590 | 595 | 560 | 2.2 | 8.9 | 35 | 60lts |
| F3208 | 590 | 595 | 560 | 2.85 | 11.5 | 35 | 60lts |
| F3209 | 885 | 560 | 4.9 | 22 | 70 | 90lts | |
| F3214 | 485 | 890 | 585 | 4.45 | 20 | 60 | 105lts |

Perfect cooking everytime!

F3209

Fan Forced Multifunction Oven

F3209

- Unique *'steam clean'* facility – simple steam and wipe
- Multifunction oven 8 functions
- Non-tilt chromed shelves
- Programmable electronic timer with LED display
- Drop down top element and grill with deep dish grill pan with safety handle and chrome grill grid
- Round rear element
- Start now stop later, start later stop later function
- Concealed bottom element
- Grilling in both ovens
- Thermostatically controlled cooling fan
- Triple glass door – removes easily to assist cleaning. Inner door glasses removable to enable cleaning of viewing window
- Oven light and safety cut out
- Half oven – static option + variable grill with 2 non-tilt chromed shelves
- Stainless steel with bronze mirror glass or white with crystal optic glass

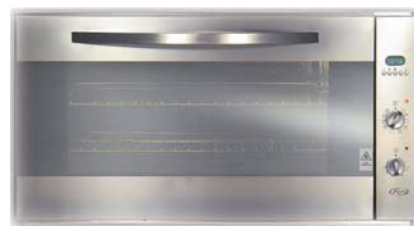

F3214

Fan Forced 90cm Multifunction Under Bench Oven

F3214

- Unique *'steam clean'* facility – simple steam and wipe
- Stainless steel finish
- Multifunction oven 11 functions
- Programmable electronic timer with LED display
- Fan forced and conventional convection cooking
- Fan grilling with deep pan, safety handle and chromed grill grid
- Double glazed door – removes easily to assist cleaning. Inner door glasses removable to enable cleaning of viewing window
- Thermostatically controlled cooling fan
- Cavity cooling system
- Removable door for easy cleaning
- Captive shelf runners for greater safety
- Full width non-tilt chromed shelves

ovens

F3203

Fan Forced Oven

F3203

- Black enamel oven liner
- Fan Forced oven with 3 functions
- 2 non tilt chromed shelves
- 60' minute timer
- Closed door grilling with deep pan with safety handle and chrome grill grid included
- Round rear element
- Oven light and safety overheat cutout
- Triple glass door – removes easily to assist cleaning. Inner door glasses removable to enable cleaning of viewing window
- Thermostatically controlled cooling fan
- Stainless steel or white

F3205

Fan Forced Multifunction Oven

F3205

- Unique *'steam clean'* facility – simple steam and wipe
- Multifunction oven 5 functions
- 120' end cooking timer
- Drop down top element and closed door grilling – non-tilt chromed oven shelves and deep grill pan with safety handle and grid included
- Concealed bottom element
- Oven light and safety overheat cutout
- Triple glass door – removes easily to assist cleaning. Inner door glasses removable to enable cleaning of viewing window
- Thermostatically controlled cooling fan
- Stainless steel or white

F3206

Fan Forced Multifunction Oven

F3206

- Unique *'steam clean'* facility – simple steam and wipe
- Multifunction oven 6 functions
- Programmable electronic timer with LED display
- Start now stop later, start later stop later function
- Drop down top element and closed door grilling – non-tilt chromed oven shelves and deep grill pan with safety handle and grid included
- Concealed bottom element
- Oven light and safety overheat cutout
- Triple glass door – removes easily to assist cleaning. Inner door glasses removable to enable cleaning of viewing window
- Thermostatically controlled cooling fan
- Stainless steel only

F3208

Fan Forced Multifunction Oven

F3208

- Unique *'steam clean'* facility – simple steam and wipe
- Multifunction oven 8 functions
- Programmable electronic timer with LED display
- Drop down top element and grill – non-tilt chromed oven shelves and deep grill pan with safety handle and grid included
- Round rear element
- Start now stop later, start later stop later function
- Concealed bottom element
